

Good

Handwriting

Think about these questions:

How should
I be sitting?

How should my book
be positioned on
the table?

What handwriting pattern could I do?

What should the hand
I am not using be
doing?

Handwriting Patterns are great to:

Loosen your wrists

Practise your pen grip

Position your hand and book correctly

Handwriting Pattern Rules:

Keep your patterns controlled

Fit your patterns between the lines

Only use 1 or 2 colours
